

Looking for Summer Employment?

Program Intern

We seek responsible, mature, Christian young adults with leadership skills for these positions. Program interns have direct influence with the campers and serve as positive role models. Please refer to the attached flyer and the following information.

Housing and Training

In addition to a daily rate, we also provide on site housing and meals. Program Interns will receive facilitation training for ropes course and rock climbing wall. CPR and lifeguard certifications are also required. A certified Red Cross instructor will conduct lifeguard first aid and CPR training on site. However, we do not require employees to take the training here. You can obtain this training elsewhere, but will need to provide a current certification card.

Why Work at Camp? A Program Intern position at Butman Camp will:

- Give you the opportunity to make a positive difference.
- Provide fun and adventure.
- Prompt spiritual growth.
- Put you in contact with people.
- Improve your leadership skills.
- Develop new skills.
- Prepare you for the rest of your life.
- Experience God in nature.
- Enjoy the outdoors
- Give you a chance to make new friends.

Be the spark that ignites the flame of fun, growth, and learning in the life of a camper. Join the Butman Camp Ministry Team and have the summer of your life!

Comments from a previous Program Intern

"I think about the time I was at Butman Camp and miss you all dearly. Those summers were some of the best I ever had."

Kitchen/Housekeeping staff, and Maintenance workers

We are also hiring Kitchen/Housekeeping staff, and Maintenance workers. Both of these jobs will give you the opportunity to serve in ministry, work on a team, prove yourself, and get practical experience. Maintenance workers will also lifeguard. See above for training information
